

## High School Curriculum

### Weekly Update # 4

---

Consider using Competency B13L1Act2: [GNAP](#) is a great acronym to remember when introducing oneself to others.

Your students will have many chances to introduce, meet and network with other JMG students throughout the state during the upcoming LEAD Montana Conference. Continuing with the E competencies-[May I Introduce You](#) is a fun group/individual activity to practice the important skill of introducing others.
